LOVES OUR LAND O' BLOOMS

BEACH BOB

But you didn't know that **SKECHERS** makes espadrilles too. From plain to printed, a pair of Bobs is your chic escape from flip-flops at the beach. Slip these on and wear them with the shortest shorts or a distressed pair of jeans and you're all set for sand and surf. skechers.com.ph

OLD RICH

You're worth a million bucks with **MAX FOWLES'** frocks, so lounge like a high roller with leather pants and deep-V dresses. Cashmere, silk tops, and gold buttons wrap you up in understated luxury. You know what they say: simplicity is the ultimate form of sophistication. maxfowles.com

FATHER AND SUN

The **DOCKERS** staple that was once worn by your pop is making a comeback for spring. Together with ultimate khakis, reversed shorts, and cotton cardigans, these items are perfect for the steamy summer or a regular day. Stay casual but don't forget to learn a thing or two from your old man's closet. dockers.com

TWO IN ONE

Mix silver and patterns and you'll get **ZELDA CAVE's** collection *Then She Tied a Ring in Her Hair*. Its necklaces, rings, and bracelets are designed with typography and illustrations. It's always a good thing to get jewelry and customized artwork all in one taking. zeldacave.com

PEAK SEASON

Climb *Holy Mountain* dressed in **MOONCHILD**. Fusing 70s rock with Native American sensibilities, its Spring collection wraps you in duster ponchos and crochet dresses. Finish the look with fringed jackets, jacquards, and embroidered animals so you can get the boost you need to reach your style summit. moonchild-paris.com
